BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Jean K L, a perfectly proportioned 40ft cruiser stern narrowboat built in 2002 by MCC Boat Builders. Designed with a desirable reverse layout, she combines traditional craftsmanship with modern comfort. Her open-plan design creates a light and spacious atmosphere, complemented by oak flooring and rich oak worktops that give the interior a warm and homely feel. The stainless steel water tank ensures long-lasting durability, while optional mirrored secondary glazing enhances insulation and adds a touch of contemporary elegance.

The open-plan galley is beautifully arranged to make the most of the available space. Complete with oak worktops, a two-ring gas hob, under-counter Montpellier fridge freezer, and a sink with drainer, it provides everything you need for comfortable onboard living. Whether you're moored up in a tranquil countryside setting or cruising along the waterways, this kitchen offers practicality and charm in equal measure.

Moving through to the lounge, you'll find a fitted three-seater sofa with generous storage beneath, offering a relaxing retreat after a day on the water. The multi-fuel stove creates a cosy ambience, making the boat inviting all year round – from crisp winter evenings to cool summer nights.

The bedroom area features a comfortable double bed, perfect for weekends away or extended stays.

The bathroom has been thoughtfully designed, offering a full-size shower enclosed with a fitted mirrored door and a separate cassette toilet, providing a bright and functional space for daily use.

With her well-balanced layout – from the stern galley through to the forward dinette – Jean K L embodies the ideal combination of comfort, style, and practicality. She's an excellent choice for couples or small families looking for a reliable and characterful narrowboat to enjoy life on the water.
