Description

The 2022 Monterey M20 is a boat built for those who love the water. Combining sporty performance with everyday versatility, this 20-foot bowrider offers everything you need for unforgettable adventures with family and friends. Whether you're seeking fast-paced fun, relaxed cruising, or simply space to enjoy life on the water, the M20 delivers it all.

With a fiberglass planing hull and 19° deadrise, the Monterey M20 is designed for smooth, confident rides in a variety of conditions. The 4.5L MerCruiser engine (200–250 HP) provides plenty of power for watersports, cruising, and reaching impressive speeds of up to 50 knots. The Air Assist Chine enhances stability and control, ensuring responsive handling when you need it most.

Step aboard and you'll immediately notice the clever use of space. With a generous 2.60 m beam, the open cockpit layout creates a welcoming environment that flows seamlessly from bow seating to the stern. Passengers can stretch out on the comfortable seating, relax on the sundeck, or make the most of the integrated swim platform. A stainless steel ski tow and folding swim ladder make it easy to transition from cruising to water-based fun, while thoughtful storage compartments ensure everything has its place.

The Monterey M20 isn't just about performance—it's built for lifestyle. From the Sea-Deck inlays underfoot to the premium stereo system that sets the soundtrack for your journey, every detail is crafted to make time on board enjoyable. With space for up to eight passengers, it's the perfect boat for family trips, entertaining friends, or weekend escapes.

The M20 is more than just a boat—it's an experience. Its mix of sporty performance, stylish design, and practical features makes it a fantastic choice for boaters who want flexibility on the water. Whether you're exploring the coast, towing skiers, or simply anchoring up for a swim, this model has been designed with your lifestyle in mind.

Available now in Deganwy as an ex-display model. Don't miss the opportunity to own a premium bowrider at an excellent price.
